Come with us through this book where you will find the heart and pulse of your 1960-61 life.

As you wander through these pages, you will see and recapture part of your life at C.H.S. Memories of parties, of dances, and of games both lost and won, will flood your mind and bring back the clearness of those incidents.

This book is a record of the past. Your hopes, your joys, and your disappointments will be reflected back to you. You will treasure the thoughts of teachers with their books and lectures, your friends with their warm laughter and companionship, and the events and knowledge you shared in the various clubs and classes. All of these have made you what you are.

Enjoy yourself on this excursion through your life that is recaptured only in this book and in your memory. So to you, the reader of this annual, we hand you your life as it was in 1960-61.

Mr. William Markley

This year's graduating class of 1961 marks the end of an era for Creswell "Union" High School. You are the last graduates as henceforth, our school will be known as Creswell High School because the grade and high school districts have consolidated into one district.

We hope your stay here will prove to have been a profitable one in whatever field of endeavor you choose to enter.

The members of the Board of Education extend to each member of the Class of '61 their congratulations and best wishes for the future.

Mr. Herbert Morse

Mr. J. G. Griffith

Mr. E. Y. Stevenson

Congratulations to the Class of 1961.

Some of you will go on to college to further your education. For others, completion of high school will be the terminal point of your formal education.

Whatever your choice, it is hoped that we have helped in some way to prepare you for what lies ahead.

Best wishes to all of you and may each one of you find a fruitful niche in which to make your contribution to society.

Your Student Government

The Student Council consists of the Student Council officers, the president and secretary of each class, and one representative from each chartered organization.

The president conducts all Student Body and Student Council meetings and appoints committees when they are necessary. The vice-president conducts any meetings in the absence of the president, and he also directs the annual Associated Students' Carnival. The secretary must keep the minutes of all Student Council meetings. The treasurer assists in the bookkeeping of all Student Body books. She also co-signs with the principal, all Student Body and other organizations' checks. The Sergeant-at-Arms shall keep order and attention at all Student Council and Student Body meetings. He also prepares the meeting place of the Student Council.

This year the Student Council sponsored the Mid-Winter Ball, the Print and Cord Dance, the Carnival, and the World Clothing Week. Both the Carnival and the World Clothing Week were a great success.

A fund-raising committee was started this year. It is hoped that it will be continued in the following years. This committee will consist of the principal, treasurer, and the Sergeant-at-Arms.

FRESHMEN

The Freshman class of 1960-61 have accomplished a great deal in their first year of high school. We fulfilled our duty of having the Senior Thank You Dance; and we succeeded in making a booth for the High School Carnival and putting on a skit for the Senior Follies. We have participated in all intramurals and most other school activities where the lowly Freshmen are allowed. Our last project of the year, a cake sale, was a large success as we had a sufficient amount for our treasury of next year.

SOPHOMORES

The Sophomore class has worked very hard and accomplished a great deal this year.

We have earned \$66 in various projects throughout the year. These projects were: two cake raffles, a Beatnik party and a car wash.

We participated in the Senior Follies, ushered and decorated for Baccalaureate, served at the Junior-Senior banquet, and ushered and decorated for graduation.

We put a great deal of work on the graduation decorations.

In the competition for class of the year, we tried our best by selling the most tickets for the carnival and by winning the Intra-murals.

The class of 1963 now hopes that the next two years will be as successful and as much fun as the first two.

Honored Students

This marked the first year that Creswell High School has placed a finalist in either of these competitions. Congratulations should go to these girls for the exceptional honor they brought to themselves and to Creswell.

BONNIE HEATER

Bonnie Heater was our school's contestant for the Facit High School Typing Contest.

She was selected by the national judges of the contest as she typed a perfect five minute timing at 67 words per minute.

Bonnie and her commercial teacher, Mrs. Jacobson, traveled to Seattle to compete in the semi-finals against the other contestants from the Northwest.

The Seattle winner was from Everett, Washington, the same school that received the award last year.

Although she did not win, Bonnie received a Facit doll and pen.

she'll be your sister

DIXIE OLSEN

This year the annual Betty Crocker Test for the Homemaker of Tomorrow was won by Dixie Olsen.

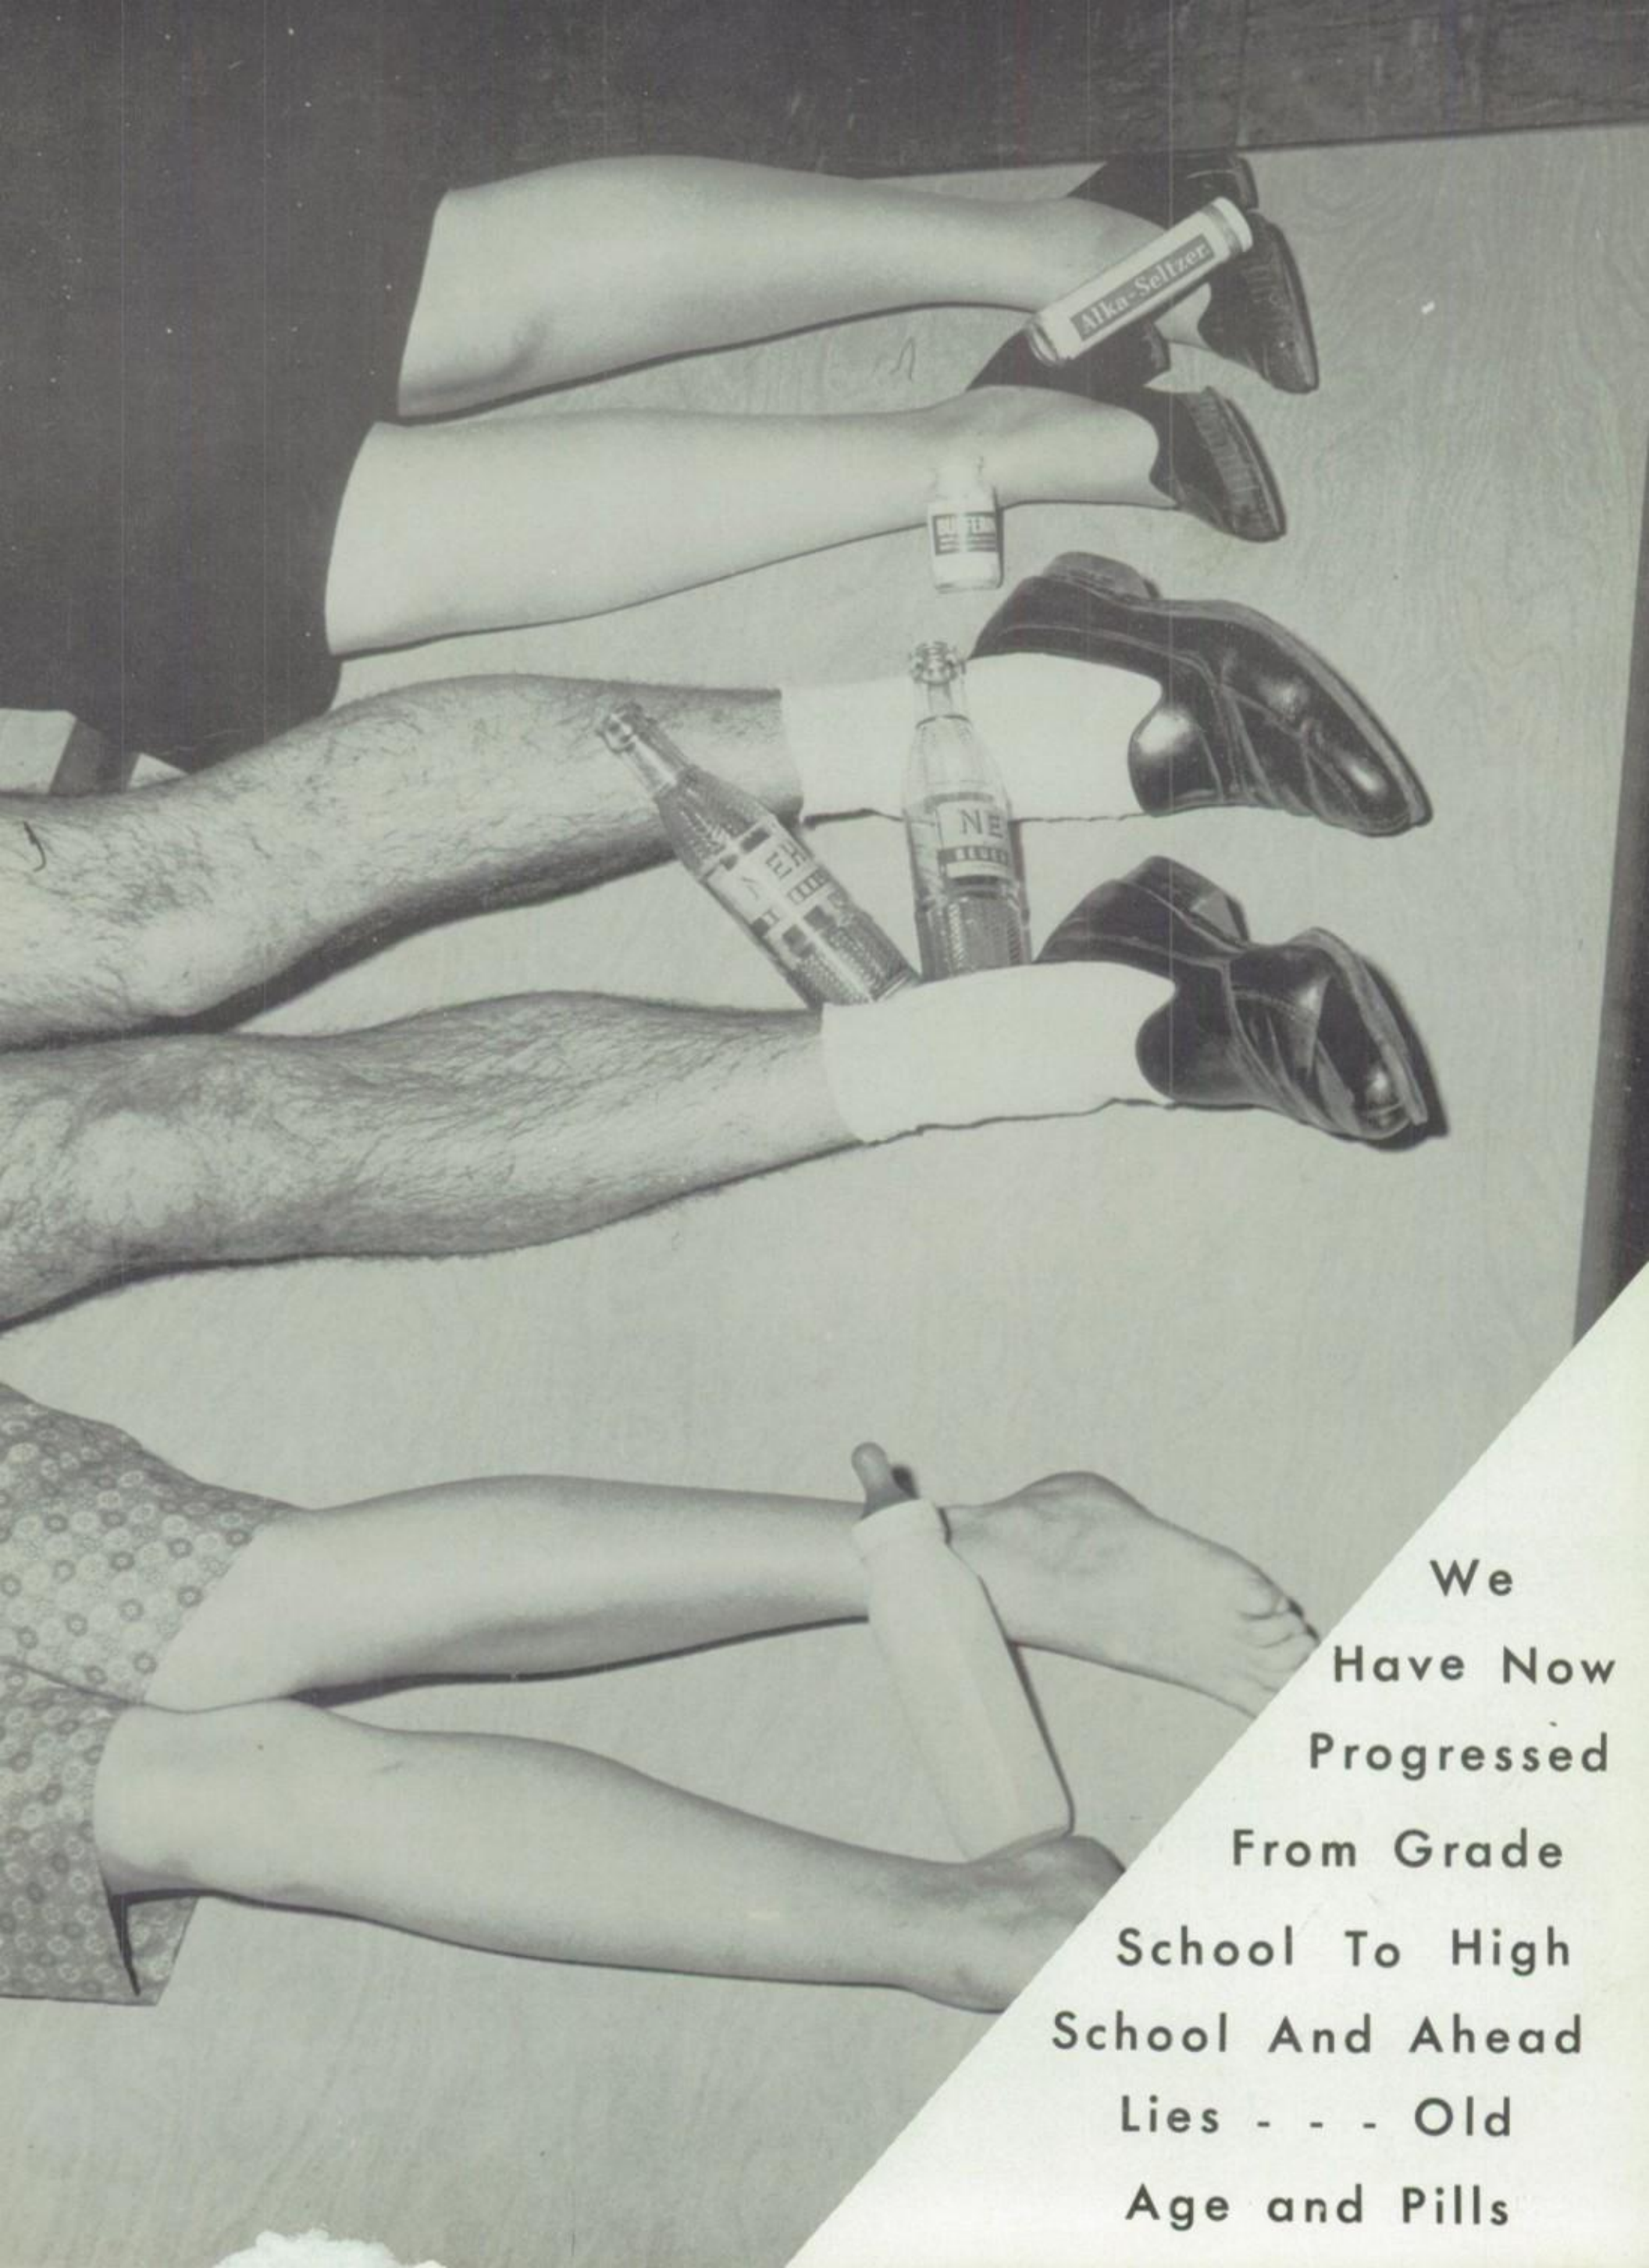

In the hour long test at Creswell, she made the highest score and her score was also in the top ten in Oregon among the 5,000 girls tested.

The winner was chosen from these ten girls and she received a \$1,500 scholarship. Both the Home Economics teacher and the winner received an expense paid trip to New York to compete in the nationals.

The winner was a girl from Beaverton, Oregon.

Dixie received an honor certificate from Betty Crocker congratulating her on her outstanding achievement and also the Betty Crocker Homemaking pin.

The Junior Class's goal was to raise money for the Junior-Senior Banquet and Prom. We had several projects to accomplish our goal: the concession stand, a doughnut sale, a bottle drive, and a Junior Class Day in which we had a car wash, food sale, and dance.

The Junior-Senior Prom and Banquet are the biggest events of the year. This year we held the banquet in the Methodist hall and the Prom in the Creslane gym.

The Junior Class won Class of the Year over the three other classes in competition for this award.

SENIORS

We seniors coasted through our last year on the money we earned in the previous years.

We went to the snowline for last year's Class of the Year party. Although one of us had a serious accident, everyone cooperated and all had a freezing good time.

With the help of a few individuals, the annual Senior Follies was presented with the various classes and individuals participating.

We went to Seaside for our 24-hour sneak. We valiantly strove to keep awake all 24 hours, but most of us failed. We played in the sand, rode bicycles built for two and came home happy, but exhausted.

Graduation brought the selection of the carnation as our flower, red and white as our colors, and our motto, "So much to do; So little time."

Commencement made us feel depressed instead of joyous as we had expected. With a feeling of sadness, but also one of challenge, we each walked forward to receive our own diploma.

Bulldogs On Parade

Grand finale

"Just what do you think you were doing out there?"

"Got it!"

"Darn it anyway!"

Although we were defeated by Saint Francis at our homecoming game, October 15, 1961, the Pep Club showed high spirits. The Mothers of the football boys put on a mock football game for the benefit of the student body the day before the homecoming game.

The Bulldogs experienced a good football year, though, ending with a victory.

There were disappointments as the coaching staff believed that the Bulldogs had the potential to develop into an unbeatable club. However, the Bulldogs performances were inconsistent often looking brilliant on defense and many times muffing chances to score with fumbles and penalties.

These were the scores:

Creswell	7	P. Hill	19
Creswell	14	C. Linn	18
Creswell	19	Lowell	0
Creswell	14	Drain	13
Creswell	13	Elmira	6
Creswell	7	St. F.	35
Creswell	28	McKez.	18
Creswell	0	J. City	39
Creswell	22	Oak.	0

She Reigns. . .

Terri Moch

Vicki Kelsch

The Lettermen's Club selected Terri Moch, Vicki Kelsch, Bev Clugston, Sheri Lansing and Pearl Bailey for the 1960 Homecoming Court.

The Homecoming Dance was an enjoyable ending to a trying day for the Bulldogs. The high point of the evening was the crowning of the queen, pretty Pearl Bailey.

Pearl is active in numerous clubs and class activities. She is student body secretary and has been an enthusiastic cheerleader for three years.

The purpose of Future Homemakers of America is to promote a growing appreciation of the joys and satisfactions of homemaking and to encourage democracy in the home and community life.

The officers of Willamette installed our elected officers. Later that year our officers went to Junction City for a district meeting and then in March, selected officers went to Corvallis for a state meeting.

One of our first projects was a doll for which we made clothes, and then sold tickets for it. We had the Fish Pond at the Carnival, took a trip to the Village Green and the Wallmasters Company. For our pleasure meetings, we had a hair styling and a cake demonstration. We also had a children's party at the end of the year.

"Keep that pencil rolling freshmen!"

Archery is one of many sports in which G.A.A. girls can earn points.

"Don't you think Bev will win the prize?" D. Chapman asks as they prepare for G. A.A. initiation.

The purpose of G. A. A. is to promote sportsmanship, athletic accomplishment, love of the out-of-doors, good health and to provide opportunities for participation in group sports.

We have playdays and projects for which we further the above goals by allotting points. Ten points is possible in every sport. Each sport has a certain amount of hours or games for each point, and 50 points is required to join the club. Pins and letters are given those who accumulate a certain number of points.

This year we have had four playdays, a carwash, and a hike to our advisor's home where we had a wiener roast.

Lettermens' Club

The purposes of this organization are: to recognize the athletes of Creswell High school, to further interscholastic sports, to encourage good sportsmanship, and to be of service to the Student Body.

To become a member, a boy must letter in a sport and be voted in by old members.

The members elect the outstanding athlete to be awarded the George Stratton Award, and they annually sponsor the Homecoming bonfire, nominate the Homecoming princesses and elect the queen.

Darrell Thayer, Russ Calhoun, Larry Smith represented Creswell at the State Wrestling Tournament.

The Creswell High School Wrestling Team had a good season in its second year of varsity wrestling competition, ending with an eight win and a five loss record. The five matches that were lost do not indicate the true caliber of the team. The team wrestled larger schools and lost to each by only a small margin.

Creswell took fourth place in the District Tournament held at St. Francis. Russ Calhoun, Darrell Thayer, and Larry Smith were sent to the State Tournament held at Oregon State University.

The Wrestling Awards were given to Steve Peterson for Outstanding Wrestler and Jim Turner for the Quickest Fall in the District Tournament.

tion and Action

Creswell High experienced hope, excitement and disappointments during the 1960-61 basketball season. At the end of the first half, our team had placed seventh. In the second half, the Bulldogs fought to second place only to have their hopes smashed by losing the decisive game; we finished with fourth.

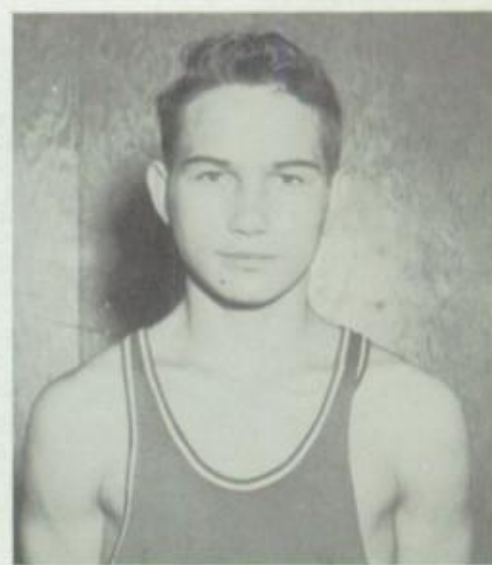

Creswell Bulldog Fans are very proud of the way Coach Yano and the team fought with undying will and determination.

Creswell Coach Nelson said of Creswell's J. V.'s, "The J. V.'s were greatly handicapped this year for lack of upperclassmen and thus, experience. All but two of the team were freshmen. When taking this into consideration, the future looks promising as our freshmen did very well with three wins and two losses against the freshmen of other schools."

Camera Club Revived!

Mr. Yand, Advisor; Mr. Krenik, instructor;
Mr. Yabe, Advisor.

Camera Club was organized this year through the interest and aid of Mr. Yabe and Mr. Yano.

Mr. Krenik our instructor, taught us to enlarge and to develop pictures, to make contact prints and to develop films. We had various demonstrations in color development, slide pictures, the use of simple cameras, and the making of pictures at night.

It is hoped that Camera Club will continue to grow and that more students will be willing to participate so that they will further enjoy the art of picture taking.

The purpose of the Drama Club is to stimulate interest in all phases of dramatics.

Although the group produced only one play this year, "Youth Adds a Dash of Pepper," we hope to interest more students next year and to put on more plays.

With the money made from this year's play, the Club took a trip to Dexter Dam. We had a lunch and took excursions on Mr. Hoeft's 12-foot sailboat.

An exciting moment for two sophomore girls was during sailing. The boat overturned and they fell into the water. While struggling to keep afloat, they scrambled to gather the equipment and soon were rescued, but it was all part of the fun.

"Do I look wet?" V. Kelsch asked after her slight water incident.

Dixieland Band

Many people think that band is just a regular class, but it is really a group of musicians working together to make something that is pleasing to the ears. Band does require homework, as the practice is needed to give the members efficiency in playing music with their fellow members.

Band practice started in the summer and this hard work showed up when the band played for the fair parade, the United Appeal luncheon, District #4 High School Solo and Ensemble Contest and also the annual High School Band Contest. In the latter Creswell earned a 1+!

The Christmas and Spring Concerts were well attended and the Band gave fine performances.

The purpose of The Future Business Leaders of America is to learn more about the business world and to prepare students for leadership by participating and cooperating in group activities.

Due to the interest and demand for a business club, Future Business Leaders of America was reorganized this year. The installation for new members was held at the Willamette High School. During the year, we have had a cake-baking party for our booth at the Carnival, and we also attended a hamburger feed which was sponsored by the Future Business Leaders of America of Willamette High School.

The Bulldogs' baseball team this year did not have a good season. We were plagued constantly with errors, and hitting was inconsistent. Our pitching was shallow and we lacked depth in this crucial area. Important errors committed in certain games lost them for us.

The squad was inexperienced in many positions. We had to switch personnel in various positions to fill in the gap. Some of our key players did not have a good year, and consequently it hurt the team. We had three young freshmen on the varsity and they did a fine job for us, considering their experience.

Our brunt of pitching was handled by sophomore, Jim Schmidt; and our fielding and batting were consistently led by a freshman, Gary Markley.

The coaching staff is hoping that next year's team, with this year's experience, will be better equipped.

You Honored These Students

FEBRUARY

Dixie Olsen was chosen for her excellent work as Crescent editor and in Future Homemakers of America.

JANUARY

Sheri Lansing was selected for her hard work accomplished in Future Business Leaders of America and in Honor Society.

MARCH

Steve Blowers received this award for his outstanding service and work completed in band and track.

Girls' League and also "Girl of the Month" which it sponsored were disbanded.

Student Council took "Girl of the Month" and changed it to "Student of the Month" so that both boys and girls could be chosen.

Student Council decides the "Student of the Month" by voting among those suggested by teachers.

As this was the first year for this new project, only three were chosen for this award.

Our Season In Review

Pole Vault: S. Blowers, A. Hiday

Some impressive performances and steady individual improvements made the Bulldog's track season a successful one.

John Towle, who set four school and two district records, was the leading point man. Steve Blowers, pole vault, tied the school record and teamed with distance runners, Karl Mawson and Russ Calhoun, to increase the Bulldogs' victories.

John Towle and Steve Blowers represented Creswell in the State Track meet. Although Steve did not place, John went on to take 4th in the 180 low hurdles and 6th in the 120 high hurdles.

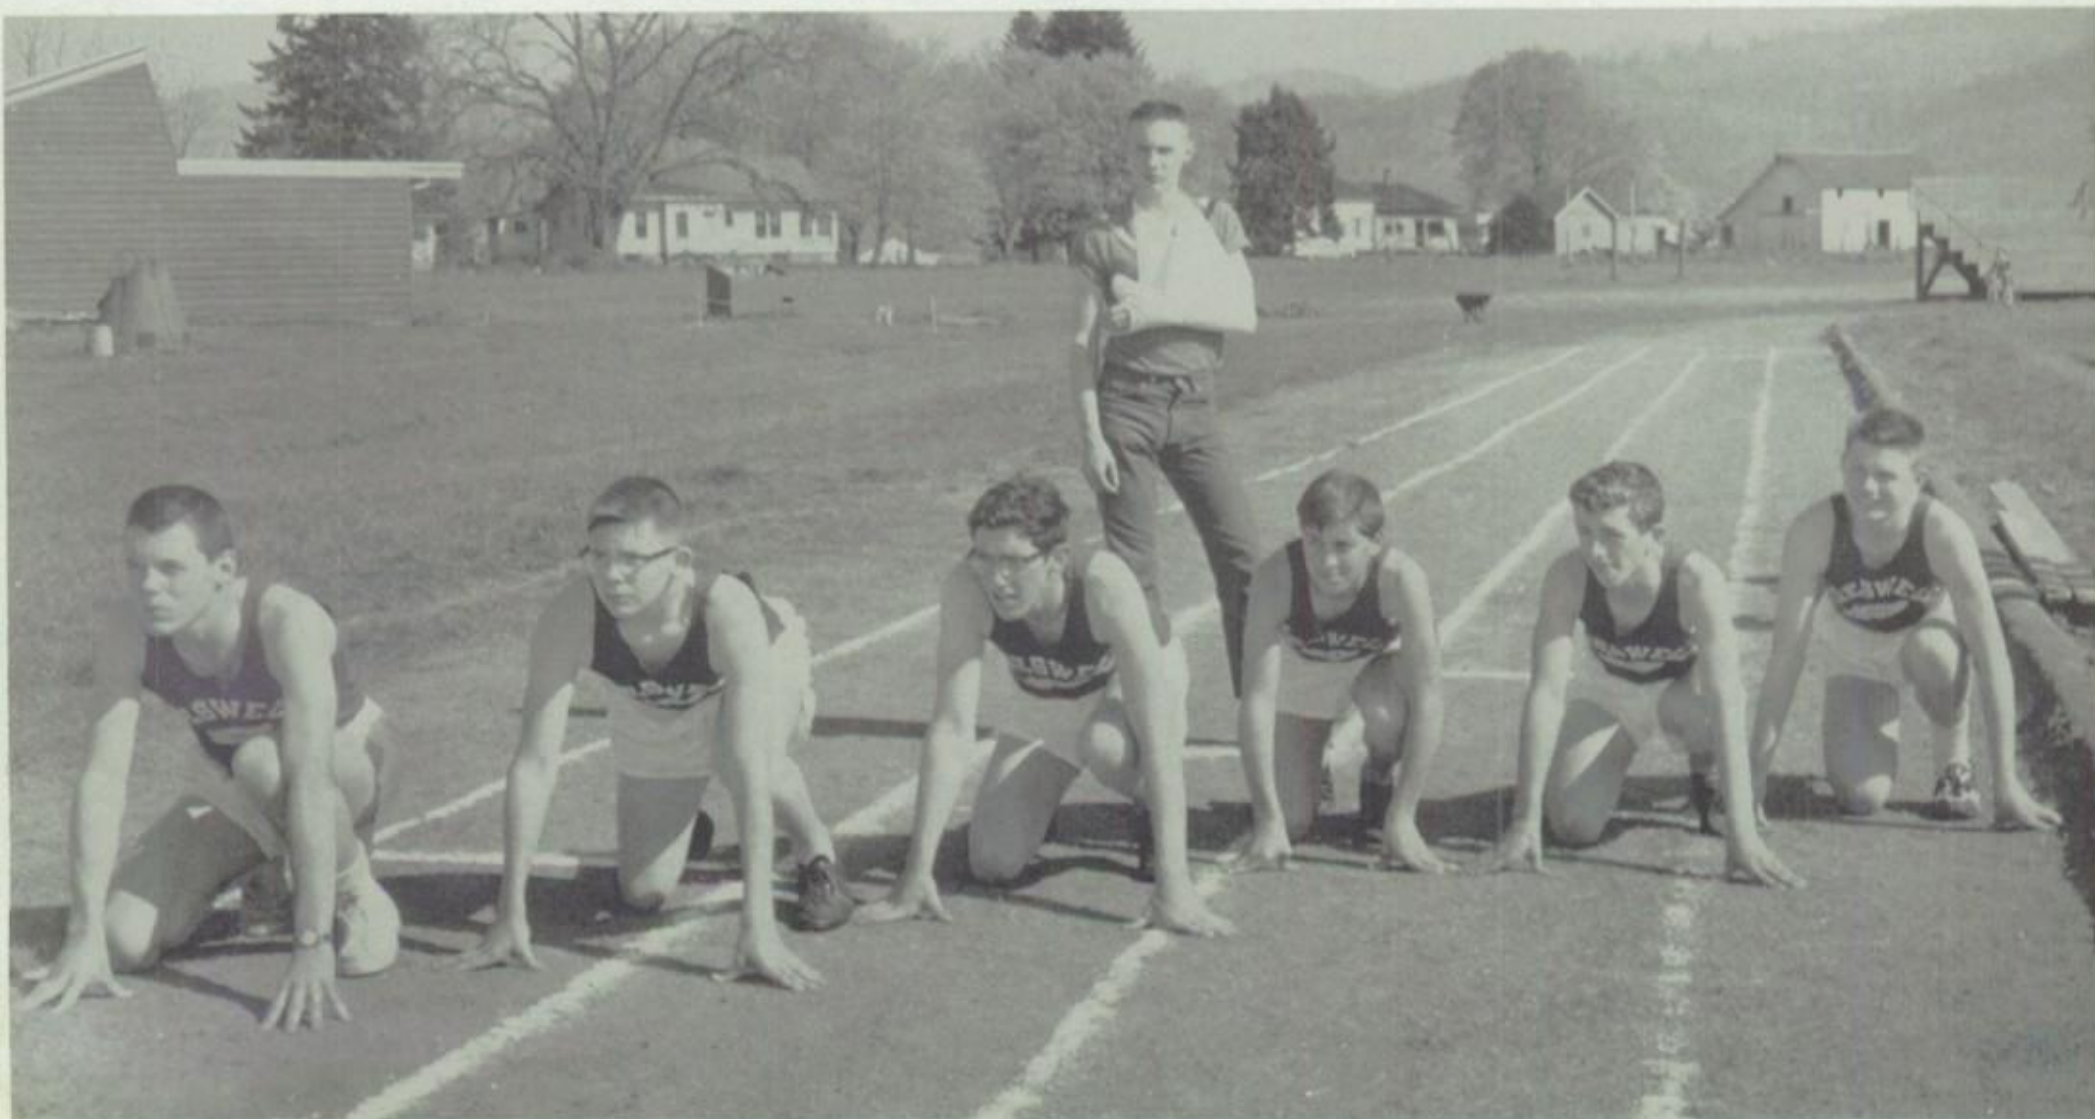

One disappointment that marred the season was the loss of a good vaulter, Art Hiday, who strained his back early in the season.

The coaching staff is encouraged by the hope of good performances to be given next spring by this year's freshmen and sophomores.

Outstanding Freshmen: Beverly Cosner and Gary Markley

This year's Honor Society sold candy in order to raise the extra \$100 that was needed to travel to Seattle, Washington, for a four-day educational tour of that area.

We visited Olympia's, Tacoma's, Bremerton's and Seattle's main points of interest, and we saw a variety of things from the shipyards to the Ice Follies. Each day was filled with different places to see, intriguing objects to buy, and interesting things to eat.

We arrived home with a wider scope of another western state's industry, wealth, growth, and other facilities.

Honor Society would like to give a special thanks to the school board for assisting us in furthering our education through traveling and visiting other areas and cities.

Gary Markley and Beverly Cosner were chosen the Outstanding Freshmen for 1960-61.

The annual Honor Society banquet was held at the Driftwood in Springfield on May 6th for all initiates and Honor Society members. At this time, a World Atlas was presented to Mrs. Hoeft, librarian, for the school library.

This year the CRESCENT staff took a step forward on the road to progress as we increased the number of pages, the advertising section, added color and each organization had its own page.

We earned \$1,500, enough to cover the initial cost of the annual as well as to add color. At the beginning of the year, we held an Annual Signing Party where we sold last year's pictures and the money from this and the ads and annuals brought in the remaining money that allowed us to make the above improvements.

Credit for the 1961 annual goes to those who took their time to advise, sell ads, work on layouts and to Typing II who did part of the many pages of typing.

[illegible]

Joan,

I can remember back to the 1st grade when you first moved here. You started tickling my arm and I didn't say nothing 'cause I didn't know you. Finally when I did, we found out we lived right by each other. How nice. From then we always had a merry old time at each others place. Also remember the fun at those "wild" 7th & 8th grade parties.

Now that you have moved I don't see you as much as I would like to. We see each other at school but then Mike comes along. I have a feeling you like him better than me. (sob-sob) I don't mean that I don't like Mike 'cause I do like him for a good-buddie.

One of these wonderful days when I get my license I'll come and see you out in Brownville. Best of luck to you and Mike.

Love,
Sharon Syphers

Roses are red violets are blue I've never
seen anyone as morny as you
Mike Faylo!

It has been wonderful to be
with you these past two years.
I know it will be just as wonderful
for the next two centuries. I hope you
will do whatever you want most
to do, I am sure you will succeed
if you try real hard and don't
change your mind so often. I hope
we will be together for the rest
of our lives, we may have a lot of
"fallouts" but we can make it
if we try real hard. Don't be
surprised if you come to school
next year and see me there too.
I may not make it, but I hope I
do.

I am sorry you have to go to the
bottom of the locker when semester
gets here but that's the way life
goes. You have been a pretty good
locker partner (so far). You may
find your pom poms missing one of
these days, as far as I am concerned ^{HAHA}
they are just a great big nuisance.

Well I am running out of
space and words so I
had better close. I just
want to say that I love
you very much and hope
we will be together always.
I am sure we will.

Lots and Lots of Love

Mike

P.S.

I HOPE YOU LEARN TO
DRIVE SOON. HAHA YOU
ARE HARD ON CARS.

We hope you have enjoyed your trip throughout the pages of this book as we have enjoyed our life here for four years.

We've worked, we've learned, we've loved and we've lived, and now the great world beyond beckons us from our sheltered lives to go out and make our own niche in our own individual worlds.

We have enjoyed the friendships and happiness we've shared. We have learned from the understanding guidance of our parents and teachers. But now we have to prove to ourselves that we can stand alone.

Although now we may be separated from all that is dear and familiar, we will have these years to remember.

Congratulations, a handshake; is it the end or the beginning?

Goan, you're a
nice kid,

Joan,
You're a
real good kid,
if you did mess up
my closet. Lots
of luck
